

Product Catalog – Sublimation Paper Series

1. Company Overview

Guangzhou JD Digital Technology Co., Ltd is a leading manufacturer and exporter of sublimation transfer materials. Our sublimation paper product line is designed to serve global apparel factories, home textile producers, and promotional product suppliers with reliable and high-performance transfer paper solutions. We support OEM/ODM and export to South America, Europe, Southeast Asia, and more.

2. Product Series Overview

We offer a full range of sublimation transfer paper with various base weights to meet diverse application needs. Our papers are optimized for vivid color reproduction, fast drying, and consistent performance on all types of polyester-based fabrics.
